

Condiment Dish

Classic Carrol Boyes, this stylish condiment dish is a must for any dining table. Made from cast aluminium, it is lighter than pewter but just as durable. The size is 19x9cm. This beautiful gift is unique for couples who like to entertain their guests with extraordinary snacks. Brought to you by The Wedding Gift List.

Stainless Steel Casseroles

The Stainless Steel range from Le Creuset is the ultimate in form and function for your kitchen. Stylish casseroles to elegant woks: they're covered by a lifetime guarantee, or a 10 year guarantee on non-stick products. Le Creuset's stainless steel is dishwasher safe and stackable, with ergonomic handles and all-round pouring rims preventing messy drips.

Vino Grande Decanter

No wine lover's home is complete without a decent decanter. Spiegelau, based in Germany, combines over five centuries of hand craftsmanship and innovation with the most advanced modern glass making technologies to produce superb glasses that are ideally suited for today's wine lovers. Available from The Wedding Gift List.

Round Casseroles

These versatile round casseroles were among the first cast-iron items produced by Le Creuset and now come in a range of gorgeous colours from classic to retro. Cast iron's excellent heat retention and distribution properties make them ideal for slow cooking. So versatile they work from stove to oven to table! Available in sizes ranging from 16cm to 34cm.

Cellini Luggage

Good quality luggage makes for a useful, long lasting gift, not to mention extremely handy for that all important honeymoon! Cellini's new patented light-weight technology makes Microlite even lighter than before. This product has the latest polypropylene injection-moulded frames, to ensure the lightest available materials and added durability. Available from The Wedding Gift List.

Eva Solo Bird Feeder

This ball shaped bird feeder from innovative Danish design house, Eva Solo, makes for a decorative outdoors feature and a popular feeding place for small birds all year round. The mouth blown glass is designed to withstand wind, weather and beating wings and the feeder is easy to hang using the accompanying hanger – either from a branch or under the eaves of your house. From The Wedding Gift List.

Screwpull Corkscrew

This corkscrew is specifically designed for use on synthetic corks. The only corkscrew to incorporate Screwpull's patented rotation technology. So quick and simple to use - 2 quick lever actions and the cork is out of the bottle, 2 more and the cork is pushed out of the corkscrew. A great gift for any newlywed couple. Available from The Wedding Gift List.
